**Theme 1:** *Success for every student, teacher, and leader*

**Theme 2:** *Research-affirmed teacher and leader actions*

**Theme 3:** *Teacher collaboration and professional learning*

### NCSM Principles and Indicators for Mathematics

#### Education Leaders

#### PRIME Leadership Framework

KY MITs who will be entering their third year of intervention service in August 2008 are welcome to join the PRIME MIT Leaders for professional growth in support of collaboration with administrators and other teachers in order to work toward growing a professional learning community and make contributions for establishing a school culture for improving mathematics education. Using the National Council of Supervisors of Mathematics PRIME Framework, other high-quality resources, and group determination of needs and goals, we will meet eight times, on the last Friday of each month, in Bardstown (a central location) to grow, discuss, and plan for school-based leadership.

**Contact:** [Alice Gabbard](#)

**Location:** Old Talbott's Tavern  
Bardstown

**Schedule:** Last Fridays, AUG to NOV 2008 & JAN to APR 2009, 11:00 a.m. to 3:00 p.m. ET

**Cost:** \$135 for materials, payable to the Kentucky Center for Mathematics
