

Pre-service Teacher Preparation Collaborative

In light of the robust, passionate, and successful grass-roots numeracy development movement among Kentucky in-service teachers and in response to several inquiries from post-secondary faculty, the Kentucky Center for Mathematics (KCM) is organizing a collaborative for instructors and professors of elementary mathematics pre-service teachers. Teacher educators are invited to register for one or both of the following:

- Audit for free one of the three offerings of the Math Recovery Numeracy Intervention Specialist Courses (see <http://kymath.org/intervention/doc/2009/NumeracySpecialistSummer2009.pdf>)
- Join in the three KCM Elementary Mathematics Pre-service Teacher Preparation Collaborative meetings dedicated to investigating and incorporating the latest research involving curriculum, assessment, and instruction for optimum early numeracy development supporting student growth to deep understanding and facility with number and operation.
