

KyNT3 & KCM
are hosting a
Webinar on

National Board Certification for Elementary Mathematics Teachers

INTERESTED IN CONTINUING TO IMPROVE AS A MATH TEACHER
AND JOIN THE RANKS OF INSTRUCTIONAL LEADERS?
LEARN ABOUT THIS OPPORTUNITY TO **CERTIFY AS A
GENERALIST** WITH THE SUPPORT OF A MATH COHORT.

The Network to Transform Teaching is a US Department of Education funded collaborative project to increase the number of Nationally Board Certified Teachers in Kentucky and to create innovative teacher leadership opportunities for existing NBCTs.

Are you ready?

- Have you taught for at least three years?
- Do you consider reflection an integral part of your practice?
- Are you willing to take on leadership roles?

Date: Tuesday, November 25

Time: 7:00—8:00 p.m. EST

To sign up for webinar, go to: <http://bit.ly/kynt3nbcmath>

**Join from any internet enabled computer or iPad
(microphone helpful but not necessary).**

**For questions or the recording link afterward,
email Suzanne.Farmer@ky.gov**

Kentucky Network to Transform Teaching provides at no cost to candidates:

- Year-long candidate support
- Trained CSP/mentors
- KEA Jump Start 3.0
- Leadership and blogging opportunities
- District engagement and support
