

Training Location

Newport Adult Learning Center (Teacher Development Center)
30 West 8th Street, Newport 41071

Map – Hotel Location & Training Center Location

Parking & Entering the training Facility

Off 8th street there is an “upper playground” area for parking. You can also park on 8th street. There is another parking lot entrance off 9th street.

Enter the side of the building that faces 8th street. (do not enter through the child care doors) Look for a sign that says “Adult Learning Center” – enter the doors and then follow signs upstairs to the Teacher Development Center.

Directions to Newport Adult Learning Center (Teacher Development Center):

From Interstate 471 North, exit at exit number 4/Route 1120. Exit onto Memorial Parkway. Continue for 0.3 miles. Memorial Parkway becomes 10th Street. Continue for one mile. Turn right onto Central Avenue. Continue for 0.2 miles. Turn right onto West 8th Street. The site is on the right.

Reading

On the website there is an article to download and read prior to coming.

Influence Skills in Instructional Coaching, by Mark Driscoll

Download from the website: www.kentuckymathematics.org

What to Bring

Coaches should bring the following:

Comprehensive school improvement plan or equivalent (Instructional goals for Mathematics in 2006-2007)

One or two mathematics textbook(s) that they use in their school

Lessons, alternative assessments, student work (*I know school is out and access to classrooms can be difficult, but if you can bring one or two things that other coaches would like to see or discuss, it would be helpful*)
