

# Infinite Possibilities Clay County Schools

*A Need for Coaching:  
Embracing new ideas  
to support our  
mathematics teachers  
and improve student  
achievement*

## *Shared Values and Vision*

*"ALL students will learn because of what WE do"*

*Collaboration focused on learning  
Mutual trust, respect, and support*

*Positive Changes in teacher practices:*

- More effective instructional strategies*
- Increased use of technology*
- Increased use of manipulatives*
- Creating "worthwhile mathematical tasks"*

*A Strong focus on Equity, Curriculum, Teaching,  
Learning, Assessment, Technology, & School Culture*

*Future Work:*

- Optimize resources and structures to improve student achievement*

*▪ Promote Professional Learning*

*"The training that I received from our district coach has helped to turn my teaching around. I have gone from a "drill and kill" method of teaching where I was doing most of the work to a more problem oriented, student-centered approach. My students are more involved and take more responsibility for their own learning than they did in the past."*

*Mitch Hawkins Clay County High School Mathematics Teacher*
