

# Sand Gap Elementary

Clawing Our Way to the Top!

## Kentucky Core Content Test Proficient and Distinguished

- ❖ KCCT Math scores have shown a gain of 30.52% in the Proficient and Distinguished areas.
- ❖ Kentucky Center for Mathematics has provided extensive training opportunities which has resulted in new strategies and positive feedback in our math classrooms.
- ❖ The Math Achievement Fund Grant has provided our school with the resources to individualize math instruction and provide developmentally engaging activities.
- ❖ Our school will continue to increase parent involvement. Our most recent success has been approximately 300 families participating in Family Math Night!
