

"You helped me figure it out my own way!"
-T.C. 1st grader

"My child is very proud of himself."
-Parent of a 1st grader

"The students now try new and different strategies that help them problem-solve."
-T.J. 2nd grade teacher

100%

• **ALL ten elementary schools have a Math Intervention Teacher on site.**

• **ALL ten MITs have been involved in District-Wide Professional Developments to help classroom teachers improve math instructional practices.**

• **ALL K-1 teachers have been trained in SNAP (Student Numeracy Assessment Progressions) and it is being utilized as the universal screener for RTI (Response to Intervention).**

• **ALL schools have a second and third grade teacher trained in Add+Vantage Math Recovery.**

AND we are 100% dedicated to continuing our efforts to address the specific needs of all students who are at risk in the area of mathematics.

"I am no longer just looking for the 'right' answer. I am now looking for how the student came up with his/her answer."
-K.K. 3rd grade teacher

"I feel empowered!"
-2nd grade teacher trained in Add+Vantage MR
