

Make Ten Bundles

Materials: craft sticks, rubber bands, die (0-6), Place Value mat

1. Roll a die and place that number of sticks in the ones column on your place value mat.
2. Keep rolling the die and adding sticks to the ones column until you have enough to make a bundle of ten. Wrap a rubber band around the sticks and place the bundle in the tens column.
3. Keep going until you can make a 100 bundle using ten bundles of ten.

Challenge: Record each turn to show how you get from 0 – 100.
