

Pre-Factoring Cards

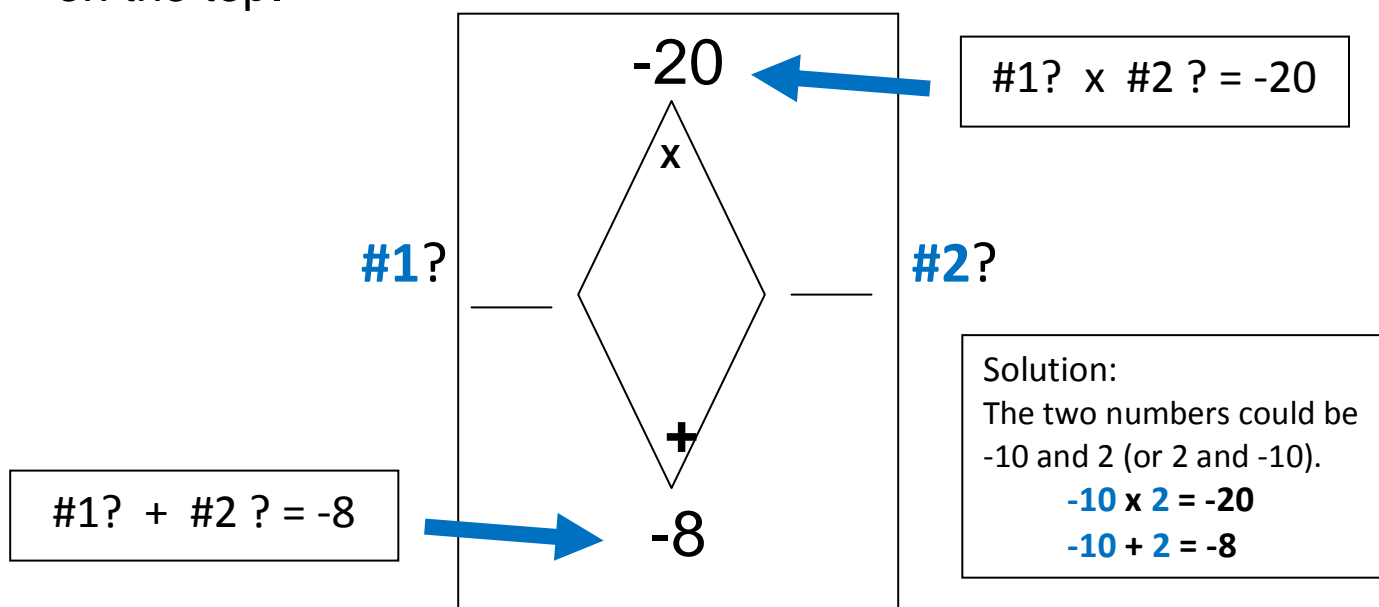

Materials: Pre-Factoring Cards
(like the Sum/Product Cards, but with P/N Integers)

Players: 2 or more

Goal: To collect the most cards by finding the two numbers whose sum is the bottom number, and product is the top number.

1. Turn over the top card.
2. The object is to find the 2 numbers whose **sum** is the number on the bottom and whose **product** is the number on the top.

3. The first person to find the correct numbers wins the card.
4. At the end of the game, the person with the most cards wins.

As always, you are encouraged to modify the games we present as needed.
