

Inspector X

Materials: Integer cards
Paper and Pencil
Game Mats
A calculator to check answers is optional

Players: 2

Goal: The goal of the game is to be the player with the highest result.

Rules:

1. Each player draws three cards from the top of the deck.
2. Players now manipulate their cards to create a linear equation using the Game Mat.
3. The player with the greater result earns 1 point.
4. Play continues for a set period of time
5. The player with the most points wins.

As always, you are encouraged to modify the games we present in any way you see fit. Games may be simplified by removing various sets of cards from the deck before play begins.
