

# Salute

Box Cars "All Hands On Deck" Mystery Number (adapted)

- Concepts: Missing Addends, Factor, Integer
- Equipment: Cards 0-12 (A=1, J=11, Q=12, K=0)
- Goal/Objective: Figure out the value of the card on your head.

Play usually begins with 3 players, with one player taking the role of "General". The other two players take the card from the top of their deck and **WITHOUT LOOKING AT IT** places it on their forehead so everyone else can see what the card on their forehead is. The General adds the two cards together and says, "The sum of your two cards is..." The two players then use the sum and the card they can see on their opponent's forehead to try and figure out their own card.

Variations:

- ★ Multiplication (remove zeros from the deck)
- ★ 4 Players (1 General, 3 soldiers)
- ★ Red=negative integers, Black=positive integers
