Gary Palmer • 859-630-1846 cell • palmerg@nku.edu

**What to Bring**
Coaches should bring the following:
- Comprehensive school improvement plan or equivalent (Instructional goals for Mathematics in 2006-2007)
- One or two mathematics textbook(s) that they use in their school
- Lessons, alternative assessments, student work  
  (**I know school is out and access to classrooms can be difficult, but if you can bring one or two things that other coaches would like to see or discuss, it would be helpful**)

**Food**
Breakfast: Served at the Comfort Suites  
Lunch: Provided at the training session  
Dinner: Teachers staying overnight will be reimbursed $15 for dinner. You have to be traveling after 9 p.m. to be able to claim dinner on the way home.

**Agenda**

**Thursday, May 10**  
8:30 – 3:30  Cognitive Coaching  
4:00 – 5:30  TI Calculator Demo & Info Session – Tonya Hancock

**Day 7**
Outcomes
- Fluency with the tool cluster of pacing
- Enhanced personal acuity, ways of attending, listening, and responding
- Refined coaching skills in crafting mediational questions

**Friday, May 11**
8:30 – 3:30  Cognitive Coaching

**Day 8**
Outcomes
- Internalized problem-resolving map
- Fluency with the tool cluster of leading
- Integrated maps and tools of Cognitive Coaching℠

**What to Bring**
Coaches should bring the following:
- Cognitive Coaching Hardback Text and Learning Guide Workbook  
- Coaching tools, forms, files, etc. that you’ve created or found – to share with others  
- Laptop if you have one (hotel has free internet)

**Reimbursement**
Hotel charges will be taken care of. You may fill out a travel voucher for meals and mileage after you arrive. Have your school secretary invoice Wanda (WKU) or Gary (KCM) for the cost of your substitute teacher. Your school is responsible for scheduling and paying the sub, then we will reimburse this outlay. Reimbursement forms will be available at the training.
