How Far Did She Go?

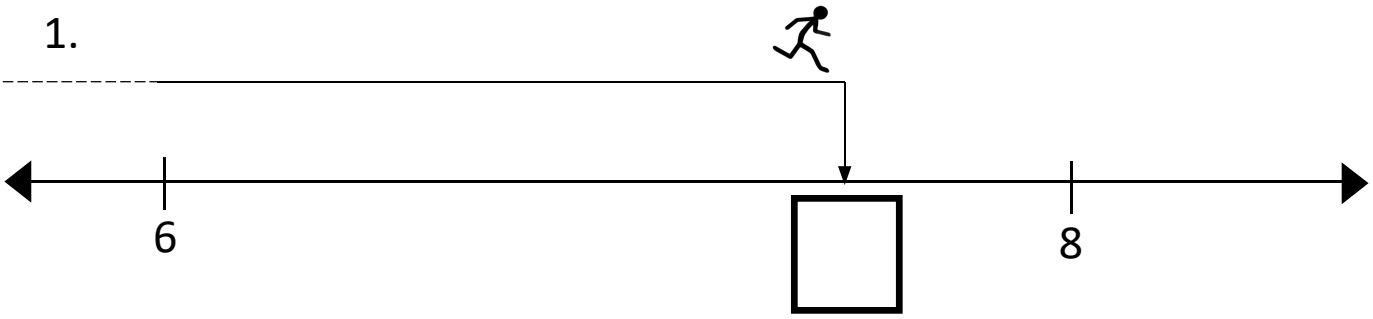
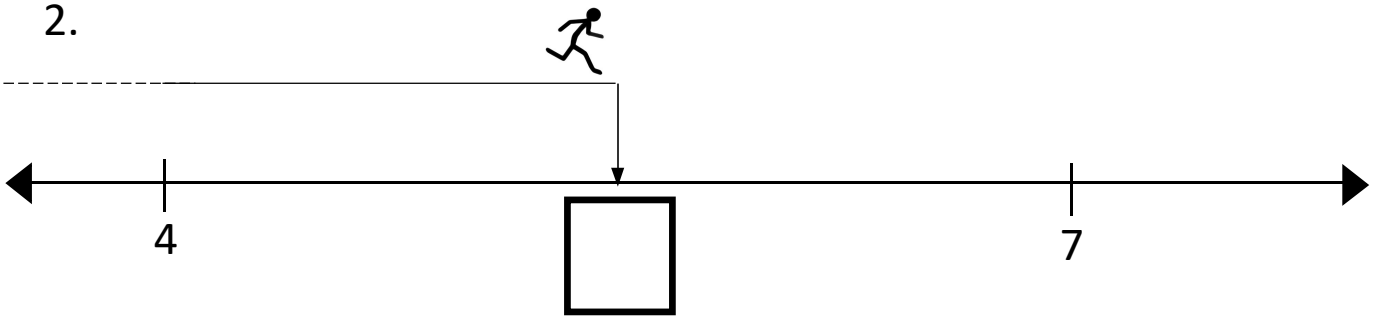
Part 3 (with C-rods)

Name:_____

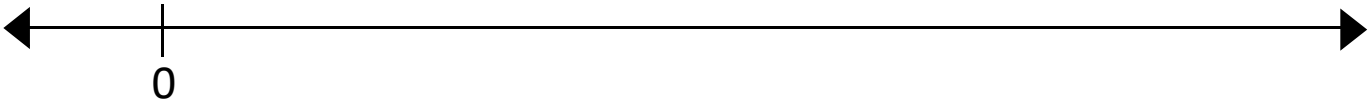
1.



2.



3. Amy ran $2\frac{1}{3}$ miles. Jill ran $\frac{5}{3}$ miles. Show on the number line how far Amy ran and how far Jill ran.



What color rod did you use to represent one mile?_____

What color rod did you use to represent one-third mile?_____

Who ran further?_____
