- 15:54:00 From jua [REDACTED] : Perfect
- 15:55:40 From April [REDACTED] : If I wanted to use these cards from this game and put into a whole new jam board, how do I do that? I don't want to duplicate the slide, I want the item from that page to use in a new jamboard?
- 15:56:23 From Dawn [REDACTED] : I've made screenshots of images
- 15:56:49 From Dee Crescitelli : That's what we do as well, Dawn!
- 15:57:03 From April [REDACTED] : That link doesn't work
- 15:58:04 From jua [REDACTED] : April if you are going to use the cards in another Jamboard, then make a copy of the Jamboard and delete what you don't want.
- 16:00:34 From April [REDACTED] : That's what I needed
- 16:00:35 From Alicia [REDACTED] : Can the students accidentally delete your image?
- 16:01:15 From April [REDACTED] : YES
- 16:01:31 From Dawn [REDACTED] : @Alicia - yes, and they can also move all of the pieces
- 16:02:01 From Dee Crescitelli : Alicia- they can... they can also backtrack to undo the damage.

16:02:06 From Alicia [REDACTED] thanks

16:02:15 From Dawn [REDACTED] One trick I learned is to put a big text box over pieces that you don't want them to move.
